THE SEVENTH INTERNATIONAL CONGRESS OF THE INTERNATIONAL ASSOCIATION OF ECONOMIC SCIENCES (1983)

The Association will organize in 1981, 1982 and 1983 various round table conferences in anticipation of the International Congress of 1983 in Western Europe on "Structural changes, interdependence and economic development".

The authors of recent papers on various aspects of this subject are invited to send an abstract of the paper to the Secretariate of the International Association of Economic Sciences (4, rue de Chevreuse, 75006, Paris, France) to be conveyed to the organizers of the conferences and of the Congress they would be interested in. Copies of these abstracts can be also mailed directly to the Chairman of the Association, Victor L. Urquidi, El Colegio de Mexico, Camino al Ajusco No. 20, Apartado Postal 20-671, Mexico 20, D.F., Mexico.
